Macros for Eplan Electric P8

LEGAL NOTICE AND EXCLUSION OF LIABILITY

This project is all rights reserved and the intellectual property of the company
Parker Hannifin Manufacturing Ltd, SSD
SSD Drives Division - Europe
New Courtwick Lane
Littlehampton UK BN17 7RZ
All statements are made with the best intentions and the best of our knowledge and belief.
For the correctness and completeness of the specification no adhesion is taken over.
No responsibility is accepted for the using of the product data with the CAE system Eplan Electric P8.

Project structure

This project is a macro project and contains CAE data for Eplan Electric P8.

CAE data:

Type	File name	Version	File type
Macros	Makros_AC30_	11_2013	.zw5
Parts data	Parts_Makros_AC30_	11_2013	.zw6
Parts data import file	Parts_Makros_AC30_	11_2013	.xml

Data directories:

..\EPLAN\Electric P8\...\ PARKER\Inverter\AC30\

Parts data:

For all macros parts data have been created.
They apply to the internal part selection.
For the data exchange between parts data and project / project and parts data the Eplan Electric P8 functions for synchronize parts data will be use.
