#### 3D Handling Commands

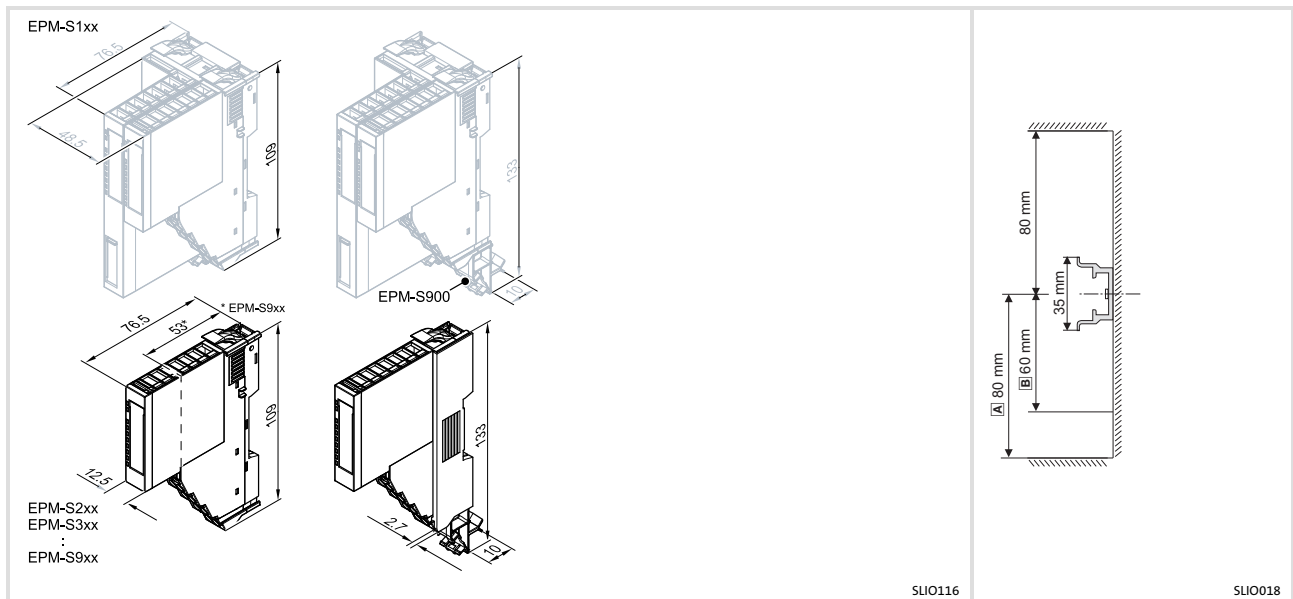

### Technical product information

#### I/O System 1000

|                            |                              |
|----------------------------|------------------------------|
| Type                       | EPM-S309                     |
| Function                   | 4 digital outputs 2A         |
| Scope of supply            | I/O compound module          |
| Number of inputs/outputs   | -/4                          |
| Rated load voltage         | 24 V DC                      |
| Output current per channel | 2 A (total current max. 4 A) |
| I/O wiring                 | PNP                          |
| Packaging unit             | 1 Piece                      |
| Enclosure                  | IP20                         |
| Weight / unit              | 0.060 KG                     |

## Dimensions

**A** Mounting clearance without shield bus

**B** Mounting clearance with shield bus

All dimensions in millimetres.
